Hot Cross Buns

Sharing a hot cross bun with another is supposed to ensure friendship throughout the coming year, particularly if "Half for you and half for me, Between us two shall goodwill be" is said at the time. Because of the cross on the buns, some say they should be kissed before being eaten. If taken on a sea voyage, hot cross buns are said to protect against shipwreck. If hung in the kitchen, they are said to protect against fires and ensure that all breads turn out perfectly. **Yes, we have hot cross buns!**
